a CooperSurgical company

Regulatory and legal information:

Leisegang colposcopes are Class I Medical Devices according to Annex IX of the 93/42/EEC Medical Devices Directive. In a conformity assessment procedure in accordance with Annex VII of the Medical Device Directive, Leisegang Feinmechanik-Optik GmbH has demonstrated that Leisegang colposcopes fulfill the essential requirements of Annex I of the Directive. To demonstrate compliance with these requirements, the devices are marked with a CE mark.
